Turdblossom

Despicable.

How so?

Turdblossom plants the shit he grows from.

Wins elections.

Verb is steals.

That right? Well that's despicable! Like your letting
us paint your guy as a pussy.

I'm sorry. Shouldn't have said despicable. Meant Republican.
Every one of you! On the hook
for conduct of a pig.

Too much morality around here!
Off to Starbucks. Can I bring
you back a hemlock?
